Recordings and Livestreaming:

*In addition to livestreamed presentations, we encourage presenters to record their sessions ahead of time.

- **Technical Guides:** Technical instructions on uploading pre-recordings and livestreaming will be made available by **May 10, 2021**.
- **Submission of Pre-recordings:** Presenters will need to submit pre-recordings via shared drive by **May 31, 2021**.

The fully virtual event will be held on an interactive online event platform. All pre-recorded and livestreamed sessions will be available to our global audience on MyOnvent. The MyOnvent platform is easily accessible, sustainable, and has a host of features to support networking and staying connected even at a distance.
