Preface

Dear Colleagues,

The members of the Conference Program Planning Committee and Local Organizing Committee warmly welcome you to the 52nd International Meeting of the Society for Psychotherapy Research.

At this virtual conference we will celebrate 52 years of sharing our research with colleagues from around the world, representing multiple professions and diverse perspectives. The program of our annual meeting reflects the conference theme, "From Unravelling to Stitching: Tailoring Psychotherapy in the Face of Change."

On behalf of the Conference Program Planning Committee, we would like to thank you all for the submission of Panels, Brief Papers, Structured Discussions, Posters, and Pre-Conference/Conference Workshops. The response to our call for submissions was enthusiastic: we received an impressive number of submissions representing all areas of psychotherapy research, practice, and training. Psychotherapists and researchers from across the globe have displayed tremendous resilience in response to the COVID-19 pandemic, and we are excited for this opportunity to gather together virtually to discuss the significant research contributions advancing our professional field.

Online Conference Platform: In the face of change, this year will mark our very first virtual conference. All pre-recorded and livestreamed sessions will be available to our global audience through the interactive online event platform MyOnvent. The platform is easily accessible, sustainable, and has a host of features to support networking and staying connected even at a distance.

Program Structure:
(Sessions reflect time zone in Heidelberg, Germany: GMT+2)

The program starts on Wednesday, with 12 Pre-Conference workshops in the afternoon from 14.00 to 17.00. The Opening Ceremony begins at 17.15 and includes the Presidential Address, the Awards Ceremony, and a Welcome Reception (Virtual Meet Up/Satellite Meet Up).

Thursday, Friday, and Saturday mornings will open at 8.00 for an assortment of panels, brief papers, structured discussions, conference workshops, and plenaries.

Chapter meetings are scheduled for Thursday, from 12.30 to 13.30 (United Kingdom and European Union) and 19.30 to 20.30 (North America and Latin America). The General Membership Meeting is scheduled for Friday from 18.00 to 18:55.

All poster booths will be accessible for drop-in browsing throughout the conference.

Online social events will be held on Wednesday, Friday and Saturday evenings.

Breaks and Lunch: The program includes breaks between conference sessions to allow for networking, through online chat, as well as moments of pause away from the screen. The program also includes 1.5hrs every day for lunch breaks.

We are happy to have you joining us virtually, from the comfort and safety of your own homes and offices!
